Working to provide a life of love and dignity for all animals

July 2009

SPOTLIGHT ON: Hobo

Hobo recently came to the Center to visit, greeting old and new friends. He also stopped at several food

bowls to nibble and relax. Of course, he received many, many hugs and kisses from Sheila and Debbie. Hobo is a special young man who stole our hearts and who now has the special and loving home he so much deserves. After a while, he wandered towards his carrier and looked at his mom, and his eyes told her that it was time to go home! WE LOVE YOU HOBO!! 🐾

Dog of the Month

Julia stole the heart of one of our rescue volunteers. She is a 6-month-old pittie who is deaf, and couldn't be any

sweeter. We got the call that the shelter was full and she was on the top of the euthanasia list because of her "disability." Julia is now in a foster home with a Doberman, a min pin puppy, four cats, and two kids. She gives the best smiles and kisses. She's learning hand signals and is a very special girl who never deserved to die just because she can't hear. 🐾

Volunteer of the Month

Cindy, with Mabel and Figaro

Cindy Jenkins

has been a dedicated volunteer for CCAD since our beginning. She has been an outstanding foster and is presently fostering three feral kittens in her home. Cindy lives in Grasonville with her husband Doug, son Dillon, 3 dogs, and 9 cats. Thank you Cindy for all of your hard work for the animals! 🐾

Cat of the Month

Meet Fred—

the most tender little heart all wrapped up in a sunny

orange package. Fred is a really nice cat. He's an older boy, so a home would just mean that much more to him—a place to call his in his golden years! He loves meeting new people and being petted. Sadly, his previous life was not a happy one, since he had been neglected and mistreated. Fred has diabetes, which is now being treated. He hopes that this small medical issue won't discourage you from making him a member of your family. 🐾

We picked up April and her kittens in late April from Caroline County. Loved and cared for by the Paddy family of Centreville, they have been spayed and neutered. The kittens recently were let out of the blue room to play and to meet the others here—and play they did, chasing toys and running through the tubes and the other rooms. Soon, everything became quiet and they all found a place to lay their head—mostly in boxes and even a pocketbook. April wasn't comfortable coming out of the room, but, with time, I think she will welcome her new friends. Please come and spend time with them. 🐾

Jasmine (t), Shelby Lynn (c), and Cinderella (Cindi) (b) joined our family in June from Caroline Co. All are so very sweet and hoping that all of you will come to the Center and meet them. Kept in isolation for 10 days, they just

had their "first day of freedom." Jasmine and Shelby Lynn (both 1 year) have been waiting to come out and meet new friends. Cindi is a little shy but curious. She's a chocolate point Himalayan, about 1-2 years old. 🐾

ADOPTION STORIES

Sheila,
Here are new pix of Jasper/Max and Willie, and Grayson/Roofie and Gracie.

Both kittens are doing just great and are getting bigger every day. Jasper is a little heavier than Willie, but Willie doesn't let that get in the way of her payback for all those pilfered meals when she was very small. The two of them run around and wrestle together so

that it looks like a perpetual motion furball with eight legs.

The big surprise is that Grayson has assumed the role of big brother to them. He cleans and grooms them, and trains them in what they can and can't get away with. He's very happy to have someone to run and play with since Tater Bug died.

Willie just loves everybody and keeps trying to get Gracie and Punky to play with her. Little by little they are giving in, and sometimes it's just the three girls sleeping together in one room. Jasper is a little more in-

dependent, but seems to prefer picking on Gracie most of all.

All are happy and well, which is all we can ask for. Thank you for raising four wonderful little babies for us, and we hope you continue to save many more to give them good lives. Again, you are welcome to visit us any time and see them. Take care.—Kim and Mili Elsmo 🐾

Barbers on the Bay recently sponsored a CCAD fund raiser, with 10 cats/kittens and a dog named Loofy in attendance. Joyce, Mel, and Denise donated 17 haircuts and a 50/50 raffle. Two t-shirts were purchased. A total of \$428* was collected and donated by the business owners, and 68 pounds of food were donated by Bev's Grooming. Great job, Brenda and Stephanie! *Special thanks to the raffle winner, who gave it all back! 🐾
