Working to provide a life of love and dignity for all animals

June 2009

We are beginning some new features in our newsletter: Each month, we will feature a dog and cat in need of a home, and recognize some of our wonderful, dedicated volunteers.

Cat of the Month

When rescued the Stowaways from way up in Middle River; the mom had taken up residence and given birth on a boat there. The owners called us and borrowed a trap after mom ran away when discovered. The boat owners bottle-fed the babies and, after repeated attempts to find mom, finally located her under the deck and had to pull up boards to release her. After 5 days, she was finally trapped and reunited with her kittens, which, fortunately, she accepted. All are being fostered by Barb Bova; the babies will be ready in 2 weeks for adoption. Please consider adopting mom and a kitty (or two!) together. 🐾

Jade is a year old Boxer mix ready spayed and up to date on all shots. She is good with kids, dogs, and cats (also lives with a rabbit and chickens). She is being fostered.

ADOPTED!

Dog of the Month

Fred is a 2-year-old Golden Retriever/Chow mix currently in a temporary foster home. He weighs 50 lbs. and is neutered and current on all vaccinations. He's housebroken and does not require crating when left alone. Fred is a perfect gentleman and a very handsome guy.

Fred would be a terrific jogging partner—he has lots of energy; he could really use a pack leader. He sits on command and sits quietly to be petted. Fred is extremely affectionate. He always sits for his treats and takes them gently, even the very yummy ones. He loves to play in the yard and, when his playtime is up, comes when called. He walks well on a leash and rides well in a car. He loves other dogs and seems to match his energy level to the other dog's. 🐾

Moon Beam (l) joined our CCAD family on 5/24. She is a gorgeous and very friendly little girl. Her brother, Beamer, was neutered and also joined us. Their mom is Sunshine, who is in Ohio, being loved and spoiled by a CCADer's mom.

Volunteer of the Month

Dan and Debbie Vogelsang have been fostering with CCAD since its beginnings. Dan is retired and Debbie works part-time at their church in Pasadena. They initially got involved in animal rescue because Debbie's sister is a board member. They both love animals, and Dan especially enjoys fostering kittens. Debbie is a spectacular cook and has become CCAD's Bake Sale Queen! Both are staunch supporters of CCAD's mission, and it's an honor to name them CCAD's volunteers of the month. They are a very dedicated and loving foster family who have provided a new life to many momma cats and their kittens. 🐾

ADOPTION STORIES

Sheila—Just a few shots of Ginger (formerly Serafina). She is a shopper, as you can see; my wallet has been chewed up several times. Debby did save my driver's license. (Also dress shoes, all my reading glasses, computer power cords, and more.) She has a cute figure and a sharp eye for an outfit sure to turn a few heads. Make sure the shelter gets our thanks. She is a very, very sweet girl.—Chris Burnett

The kitties at CCAD received this (edited) message from Jenny:

Hi to all my "furry friends." I love my new home. I love to watch the birds from the window and take in the smell of the outdoors. I get my wet food twice a day and dry food all day. My coat is brushed every evening and playtime is around 8 each night. I love play time with all my new toys. Also, I get lots of snacks. My mom and dad are spoiling me, but I'm not complaining at all. Love you all, XXOO—Jennie

P.S. from Evyonne and David Andrews: *Debbie and Sheila, I wanted you both to know Jennie has brought so much love into our home. Thank you for letting us adopt her. We love her dearly. She sleeps in our bed at night.* 🐾
