PRESIDENT'S CORNER

There have been many Rescue Angels in action this month. You may have seen them at the Stroll for Strays, or at Western Auto selling baked goods and hot dogs, or maybe at the Plant Sale. We also had a lot of them at Bingo, running a wonderful auction, staffing the kitchen and bake sale, selling raffle tickets, and helping visitors learn more about our cats and dogs in need and all the small tasks that needed to be done.

Our thanks to all of them. They are the ones who help us get through kitten and puppy season. Spring and summer are the worst. The requests to take cats, kittens, and puppies accelerates to a number that shelters and rescues just cannot keep up with. The cost to care for those we can help goes up dramatically at this time of the year, and the fundraisers are all we have to get us through. Thank you to all who supported them.

Did you know that, according to the ASPCA, 7 cats and 6 dogs out of every 10 that enter a shelter will not make it out? CCAD is a no-kill rescue with only a cat shelter. We desperately need help with our dog program. Would you please give a dog a temporary home? Many of our dogs go within 2-3 weeks of entering our system, and we get them spayed/neutered, microchips, and shots. If you need us, we can provide food, too.

Please, please call us and let us know if you are willing to be a vacation or short-term foster—the dogs will appreciate all that is done, and so will we!

Happy Spring!
—Kathy Thomas
