Dear Friends,

Adoptions

Some of our favorite cats and dogs have moved on to their permanent homes. Kiana, the white Akita, went to her new home in Maine after being seen on Pet Finder. Busy Alice, a calico kitten, went to her new home after being seen at Bev’s Grooming. Emily went to her home on the Western Shore. Jenna our young volunteer at the center was very pleased that her grandmother adopted Emily. Goliath moved into his home in Alexandria, VA and the family is very pleased with how well he adapted to their older cat. Our puppy Princess Diana went to her family in Southern Anne Arundel County. She has a big fenced yard to play in and a young boy to romp with. More happy cats that went to their new homes are Phoebe, Cookie, Mel, Midnight, Stormy, Murphy and Mr. Kitty. The adoptions were located all over including 3 states.

Local Businesses Help Increase Pet Adoptions

We have successfully shown our cats and dogs at several area businesses. Thank you to Bruce Moore the manager of the Safeway in Chester for the 3 times we setup displays at his store. Thank you also to manager Bob Wolfe and Cathy Jeter the Kmart exit monitor who assisted us when we did an adoption event at the Stevensville Kmart on August 25th. Thank you to Cathy Thomas the manager of the Centreville Food Lion who was very helpful on a recent Saturday when we had a display outside of Food Lion. Thank you to Bev and Frank Thomas of Bev’s Grooming who permit us to display cats 5 days a week in their business. Thank you to Whole Foods in Annapolis for the very successful “Giving Grill” they sponsored to benefit CCAD. Staff member Frances Chumley was very helpful to us. All of these events have led to pet adoptions and the CCAD board is most grateful to these businesses so perspective adopters can see the animals and learn about our center. Thank you businesses for your support!

Wendi Weinstein Hosts a Fun Fund Raiser

Thank you Wendi for an outstanding party! About 85 people enjoyed the good food, swimming, seeing the miniature horses and talking with people who support the CCAD efforts of helping homeless animals. The pictures tell the story. Below are board members Denise Oliver, Sheila Wentzel and Mary Giolitti. In the

middle picture is Flora Sossi standing, Laura Haislip, Bryan Hall, and Delegate Richard Sossi. The picture on the right is David and Nancy Wiley. Nancy helps at the center every Tuesday AM.

Letters of Appreciation

Foster families and our volunteers are always thrilled to hear how the cats and dogs we placed are doing after they enter their forever families. We particularly enjoy the pictures. Thank you to the new owners who keep us up to date on their pets. Wanda Speerl writes "Sorry it has taken so long to get Delilah's pictures to you. Delilah is such a joy to be around she is so spunky and has warmed up to the other cats and dogs we have. I

want to thank all of you for allowing us to adopt her and I can't imagine not having her in our lives. I know you will enjoy the pictures as much as we enjoy having Delilah. You can see that she has a very strong and lovable personality, she purrs all the time and has adjusted very well to her new home. Please see that everyone sees how happy we all are. Thank you so much for everything!"

The Border Collie Lassie's new family wrote: "I think she's a keeper. We walk her a couple miles a day. St. Hubert's recommended we get her a crate so she feels like she can be secure. She sleeps on her bed as long as it is close to somebody else's. Housebreaking is coming along. St Hubert's put off the training class for a week because of summer vacations. I will ask them about microchip. She seems content and has not backed out of her collar in last two days and accidents seem to have decreased. Very smart dog." Editor's note: This dog had a difficult adjustment to a new home but we were happy to hear she is improving.

A Big Thank You

CCAD thanks Joann Breth who has donated lots and lots of food for the feral cats that our group feeds. Bill Barnes who feeds the feral cats daily appreciates the food donations very much.

Center Hours

A reminder that our Center is open Wednesday through Saturday from 10 – 2 and Sundays from 12 to 4. We also open the Center any time that someone wants to make an appointment to see the cats. Our dogs are in foster homes so appointments with the foster parents are necessary to meet the dogs. The Center is in one of the green buildings across from Western Auto and next to Queenstown Bank on Kent Island. If you know where McDonalds is, our building is easy to spot.
