PRESIDENT'S CORNER

It's FOOTBALL SEASON!

A generous volunteer has donated to CCAD two Redskin tickets and a parking pass for the Dallas game. We printed only 200 tickets, so chances are higher for winning! Be sure to get in on the Raffle!

It has been a really busy summer for us in CCAD, and we welcome all our new volunteers and supporters. We have enjoyed meeting and seeing so many of you in recent days.

We are also pleased to be included by *Shore Update* and its readers in the Good Better Best of the Shore awards. Thanks to those of you who supported us in that.

If you have a little spare time, we could sure use some help. We always need transport help, fosters, and people to come help at events and fundraisers. Let us know if you are willing.

And, speaking of time, we have lots of very fun kittens and cats in our center now, and they would love to have visitors.

If you are a new adopter, we thank you for saving a life and welcome you to our Rescue Family.

Be sure to check out our upcoming dinner and a show and look for more details to come.

Thanks for all your support.—Kathy Thomas

WINTER HOLIDAY VARIETY SHOW
and
SPAGHETTI DINNER
and
SILENT AUCTION and BAKES SALE and 50/50 RAFFLE
and **DJ STEVE MOODY and EMCEE PETER LEE!**

IT'S NOT TOO EARLY to get in the holiday spirit and save the date for CCAD's great annual event. Friday, November 30, at Christ Episcopal Church on Route 8 South in Stevensville. The fun begins at 6 PM.

The winner of a pair of Redskins-Cowboys tickets will be drawn that evening (not too late to buy a raffle

ticket!). And you might learn some dance steps, too!

Tickets are for sale at the CCAD office now—just \$15, or \$30 for a family, including young children. Of course, there will be adoptable pets there. Peter and Phyllis Lee are looking forward to greeting you.

We're looking for a home!

Danny was an outside cat that was taken into a home. Now, his owner is moving and can't take Danny. She is sweet, young, and looking forward to meeting you.

Troy is a long-hair Tuxedo that is full of energy! He came from Caroline County and is about 9 months old. He loves to play and seeks attention.

Tracy, a Domestic Long Hair, is 2 years old, also from Caroline County. Tracy is a little shy than Troy, but, when you walk into the room she's in, she will quickly try to get you to pay attention to her!

NO WONDER I COULDN'T FIND these guys when I searched their room this morning! Now, if I can only teach them how to use the broom! Seems like they have the dustpan part down just fine. Our fosters are doing great!—Dan & Deb

Dusty and Route 8—nap time!

We are in desperate need of cleaning supplies for the center. Paper towels, litter, spray cleaners, a small canister vacuum, sponges, dish detergent, hand soap, trash bags, and new scoopers for litter.

Also, we really need someone willing to clean out the house for our ferals and put in new straw etc.

Dear Bruce,
Please find this loot in good health. I tried to send enough to share, but the nice big pad was selected for you specifically. The nip is from my best supplier here in Maine. Home grown and sewn with love to support shelter cats looking for the right human to adopt. Mom says to keep the nip in the freezer when storing to keep it from going stale like the store bought stuff. FYI—We think we may have a good human for you to consider. We just need to get her over to see you. Keep the faith and know that we are on the hunt for you.

Love you, Man. Enjoy the nip! Bye!

This note, the toys, cat pad, and \$20.00 were delivered to the Center from Byzwaden Nowak, a kitty who originally saw Bruce on Petfinder and lives in Maine. Byzwaden has photos of Bruce on his Facebook page, and frequently makes comments on our Facebook page.

Bruce asked to be taken shopping for a thank-you card and that we send the photos of him with his gifts.

Anytime gift: the ACCAD cookbook with more than 200 pages of recipes from volunteers and friends. Available at CCAD events or call the Center. \$20.

PATCHES WAS DROPPED OFF during the early morning hours recently. She is about 8 years old and front declawed. She is also microchipped. Because of that, I was able to get information about her owners and her veterinary records. Apparently, her owner is moving out of state and found a “new home” for Patches on the Island. When the original owners were called, they had little concern that Patches was dropped off and no longer with the family they thought would care for her.

I took her to the vets, and she did not need shots, since I was able to get veterinary records, but I did have her tested again and examined. She is frightened, but seems comfortable when you come in to visit and spend time petting her. If you have a few moments, please come and meet Patches, to let her know how much we care and love her. 🐾
