Working to provide a life of love and dignity for all animals

October 2011

## Cat of the Month

**F**LUFFY IS a 14-year-old female Domestic Long Hair Dilute Calico. She has been declawed front and back. She came from a

home traumatized by the death of both family members. She is gorgeous, very sweet, and loving. She gets along with the other cats in the home, as well as the dogs. When we took her from Caroline County Humane in July 2011, Fluffy, Kitty, and Scooter had to be placed in separate foster homes. Since then, Fluffy and Scooter are once again together in their foster home and little Miss Kitty is in her forever home. 🐾

## Dog of the Month

**L**ILY IS A beautiful, tricolor Jack Russell terrier who is hoping that she will soon be going to her forever home. Sadly, Lily's Momma passed away and she could not be kept by any family members. She ended up at the shelter, where she has been for more than 100 days—too long. She is just great—super sweet with people, but she does not like dogs. She will play and play fetch until you stop! Someone must know someone who could use a companion. 🐾

### Don't Forget!

Our cookbook will be available for sale around the end of October, so plan your holiday shopping lists. It will cost \$20 and will offer a wide variety of recipes for man and beast! The cookbook will be available at all CCAD events and activities, or a call the center!

### A DESPERATE NEED!

**W**E ARE BEGGING for dog fosters. The need has never been greater. Without foster families, we cannot help any of the hundreds of dogs in need in the shelters we support. Shelters everywhere are full. Every day, many adoptable dogs are euthanized to make room for more dogs. Often, they have come from loving homes and are confused and scared. Others have been rescued from unfortunate circumstances. Most dogs in shelters lose their lives, based on time in or the whim of the shelter. They are young and old, big and small, cute and adoptable.

PLEASE, PLEASE HELP!

Email or call us now!

We provide food, vet care, crates, vacation coverage, whatever you need. It requires so little—just that you open your home and provide love and care to a dog in need. We will find the right dog to fit your home, lifestyle, and preference, and do all we can to support the foster effort.

October Is Adopt a Shelter Dog Month!

### bawprints

On September 17, Whole Foods hosted CCAD for another adoption show. We are always pleased to have so many nice visitors stop and meet our pets, happily with some adoptions resulting!

Sadly, much to our surprise, we discovered near the end of the show that someone had stolen our donation jar, thought to contain over \$100.

It is the animals in need of our help that suffer from such heartlessness. We work solely on donations, and that \$100 would have, for example, neutered two kittens in need.

We have learned a valuable lesson: Some people feel it is their right to steal. We will be more vigilant at upcoming events. We hope that whoever committed this callous act will have a change of heart.

October Is

National Pet Wellness Month!
