✧ CCAD Needs You! ✧ Here's How You Can Help!

CCAD is overwhelmed with homeless animals that need care, and in dire need of funds and other assistance. So you say you just can't adopt or even foster? You can contribute in many other ways!

➤ **Become a sponsor** for an adoptable pet, monthly or one time only. We really need sponsors—\$10, \$20, or \$30/month goes a long way. **Choose your animal!** It costs approximately \$10/week to feed a dog, \$5-6 for a cat. Spaying a dog costs us \$75, neutering \$65. For cats, it is \$50 and \$40. Shots and testing per animal—approximately \$50. Flea/tick and other medicines are about \$10/animal/month.

➤ **Contribute items** on our Wish List. Always needed items: •Scoopable litter (we use lots at our center!) •Paper towels •Cleaning supplies •Gift cards to Bev's on Kent Island (food) •Postage stamps •Printing costs for brochures and picture boards.

➤ **Find corporate sponsors.**

- Does your company have a charity program? Would you enroll us there?
- How about selling a business sponsorship for our newsletter or Web site?

➤ **Cleaning house?** List items to sell on CCAD's MissionFish store (ebay charity site) and help our local animals. Contact Cindy for help; email acdd4@aol.com.

➤ **Time and talent?** We need graphic artists, people willing to organize fundraisers, to bake for Bake Sales, to help us keep our center open and clean. Contact Info@chesapeakecats.com.

➤ **Business card ads.** Newsletter, 1 month, or Web site, 3 months—SPECIAL! \$50.

Volunteer of the Month

Ginny Kates (here with Wicket) is the owner/manager of Dandyland Kennel in Centerville. Ginny and her pets live and work there, making it a great place for pets to stay while their owners are away.

Ginny has fostered and kenneled several CCAD dogs recently, taking some really needy ones on as special projects for extra training and love. In addition to these lucky guys, she provided safe haven and great care

for Virginia and her kittens. Virginia has found a great home with one of her kittens, but you can find the others at our center.

One of the pups we put into Ginny's care for a short time stole her heart and now lives with her as her newest family member! Wicket, the little Shih Tzu, has become the official yard patrol of Dandyland, keeping all the big dogs in line.

Contact Dandyland at 410-758-4555 or www.dandylandpetcarecenter.com.

Cats of the Month

Squash is a loving, 2-year-old orange tabby in great health. She needs a little help meeting

her forever friend, since the first part of her life was a struggle, and she is a little shy. She loves to purr and will give you her heart if you just hold her. Won't you make her day and take her home, along with her sister, Pickle?

Pickle's purr will make you forget your bad day! What a motor! And she is so soft, too! Like Squash, Pickle has a few things she would like to forget. For no reason, her family no longer wanted her, which was traumatic, but Pickle promises she will forget all about it if you'll just keep petting her. She loves affection. She is in perfect health at only 2, fantastic

with other cats, and nice to kids. Please consider adopting Pickle and Squash, who've been through so much, without ever losing their inner softness. 🐾

Dog of the Month

Bruno, an 8-year-old English Lab, came to us because the Humane Society couldn't treat his heartworms and Lab rescue said he was "too old." Had CCAD not taken him in, he would have been euthanized.

He is one of the nicest dogs—he walked into his new foster home, with 4 cats, 2 dogs, and 2 kids, and didn't bat an eye. He will flop over for belly rubs in an instant, loves car rides, and just wants to be part of a family. He will be a faithful, loyal companion.

Bruno is neutered, microchipped, up to date on all shots, and just retested for heartworms (negative). He's in great shape, and acts like a puppy! 🐾

RECENT PET ADOPTIONS

Cat adoptions in August included **Kate and Virginia**, to the Tourville home in Rising Sun; **Mini**, who joined Waldo at the Geraghty home in Annapolis; and **Orion** to the Cearfoss family of Baltimore.

Dogs included **Whitman** (Chocolate Lab), to the Crawford home in Federalsburg; **Silas** (another Chocolate Lab), to the five Campbells in Fallston; **Callie** (Cocker), home with the Provost family in Milton, DE; and **Onyx** (Lab/American Bulldog mix), adopted by the Palmers, of Manassas, VA. 🐾

Good News! (and Bad News)

Casper and Callie came to us blind and suffering from glaucoma. The

good news is, both can see again! The bad news is that we really need donations for their surgery, which ran to more than \$5,000.

Buddy, just 3, was so terrified in the shelter that he almost wasn't saved! Here he is at the kennel (l) and then (r) showing his glad-to-be-free-and-loving-life side. The bad news for him is that no one has stepped forward to help pay for the surgery needed to correct his cherry eye. Can you help Buddy? 🐾

Two August bake sales at the KI Safeway brought much needed funds for CCAD.

From **August 1**, below:

On **August 15**: Samantha, long-time volunteer Sharon Robertson's granddaughter, and her friend Maura made posters for our bake sale; Samantha also made some very popular dog treats to be sold.
